DICKIE FRITZ ROAD CLOSURE

December 2024

Dear Residents

As the year draws to a close, there are just a few things we'd like to share with you;

Garage Doors and Gates

Recently there have been a lot of cases of garages and gates being left open. Please don't become complacent because our area has been crime-free for a while and we have the patrol vehicle. Criminals are opportunistic.

Willow Park

Thank you to everyone who has contributed to the upkeep of the park. It does not cost our closure anything, due to residents paying for the gardeners and donating plants. It's improving each year, with many people coming from other areas to enjoy it.

Security Advice over the Festive Season

Check Security Equipment

We all know that criminal activity increases over the festive season, so please be extra vigilant at all times. Please test your alarm, electric fence, beams and batteries (which may have been compromised by load shedding). Call the control room and inform them that you are testing, to avoid the vehicle unnecessarily responding to a non-emergency.

House Sitters

If you are going away and have a house sitter, please give the control room their number. Please also give the house sitter the vehicle and control room's number.

Report concerns

If you feel uncomfortable about anything in the area, or suspect there maybe someone following you, please call the patrol vehicle immediately. That is what they are there for.

24/7 Security

We would like to extend a thank you to 24/7 for keeping us safe this year. There are many management patrols, K-9 sweeps in the parks and veld outside our closure and evening meetings, that many residents are not aware of.

Collection for the Guards

Chantelle from Keurboom Crescent, has very kindly offered to manage the annual monetary collection for the guards again this year. There are guards 6 in total. Please contact Chantelle to arrange your donation - 082 300 8514. Collection will run to 13 December.

Debit Orders

There are some residents who pay their monthly contribution via EFT. Please can we ask that those residents please consider changing to payment via a debit order. It will eliminate unnecessary admin each month.
